

## **AIR RELDAN, INC.**

### **SECURITY MISSION STATEMENT**

Air Reldan is committed to the safety and security of our customers, co-workers and community.

To ensure the highest level of protection for you and the aircraft, and in support of national efforts to increase aviation security across the country, please adhere to the following procedures:

- All customers and visitors should report to the desk upon arrival.
- Everyone is required to have positive ID, and may be subject to security checks.
- Aircraft are off limits unless accompanied by an Air Reldan, Inc. employee, unless Air Reldan personnel have cleared you prior to each and every flight.
- The hangar is restricted to employees only.
- Immediately report any suspicious activities or individuals to the front desk.

Thank you for your patience and cooperation.
